ChineseMD

2/24/2025

ChineseMD contains structured Chinese Medicine information with multimedia and interlinks of 中藥, 藥性賦, 靈驗奇方, 藥理, 對藥, 醫案, 針灸 and a lot more.

The application only runs on Windows environment. It installs and runs on the local PC machine. The picture and video files requires a large storage space and can not be included in the installation. When they are needed, they will be download once into the local disk.

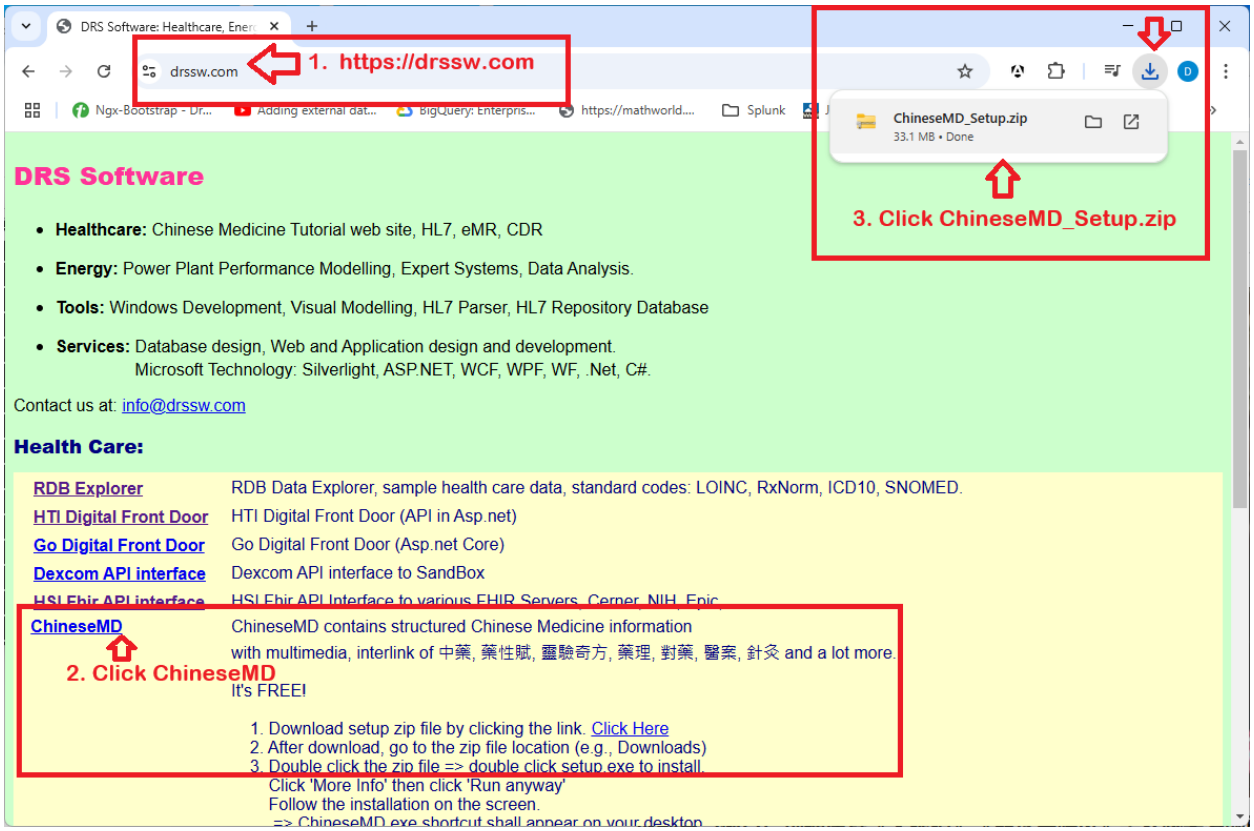

There are two parts in this document.

- Installation – step by step installation process
- General operations

**Note that the content of the installed ChineseMD may be not fully deleted from your system. You may want to delete them when issues occur.

From Window Explorer, delete C:\ChineseMD_TC

General ChineseMD Operations

ChineseMD contains structured Chinese Medicine information with multimedia, interlinks of 中藥, 藥性賦, 靈驗奇方, 藥理, 對藥, 醫案, 針灸 and a lot more..

It's intended to provide a tool for learning Chinese Medicine with ease. With the coverage of various subjects, it can be a good reference for interested topics.

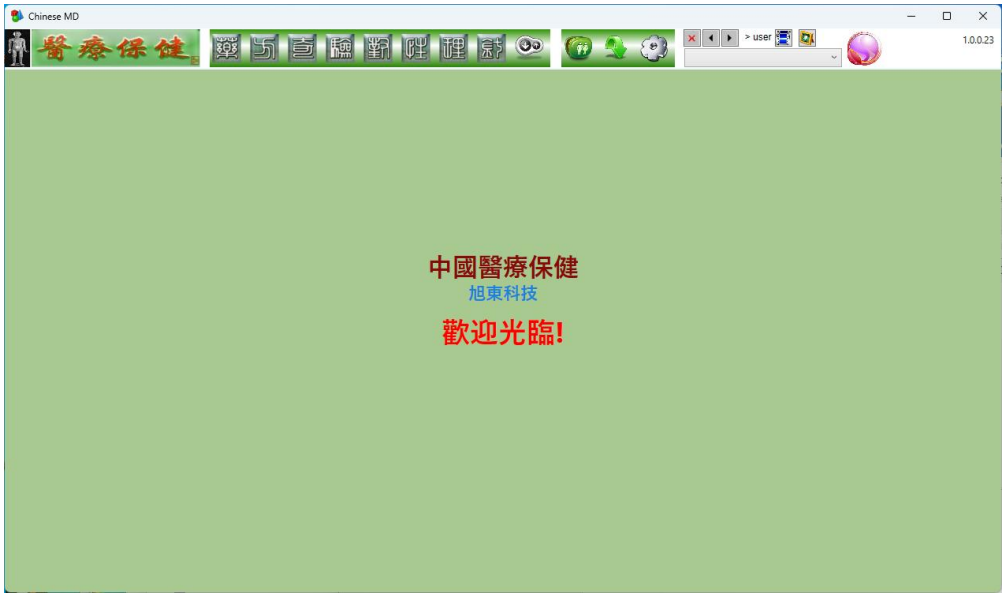

Here is a high level usage of the application.

1. Double click the ChineseMD icon 

on your desktop to activate the program.
2. Input UserID, Password to login. It's automatically filled in 'user' and 'none' for convenience. *(Other users with proper access are allowed to edit the content of the application)*

3. Success login

4. Select your interested subject on the top portion of the window to view

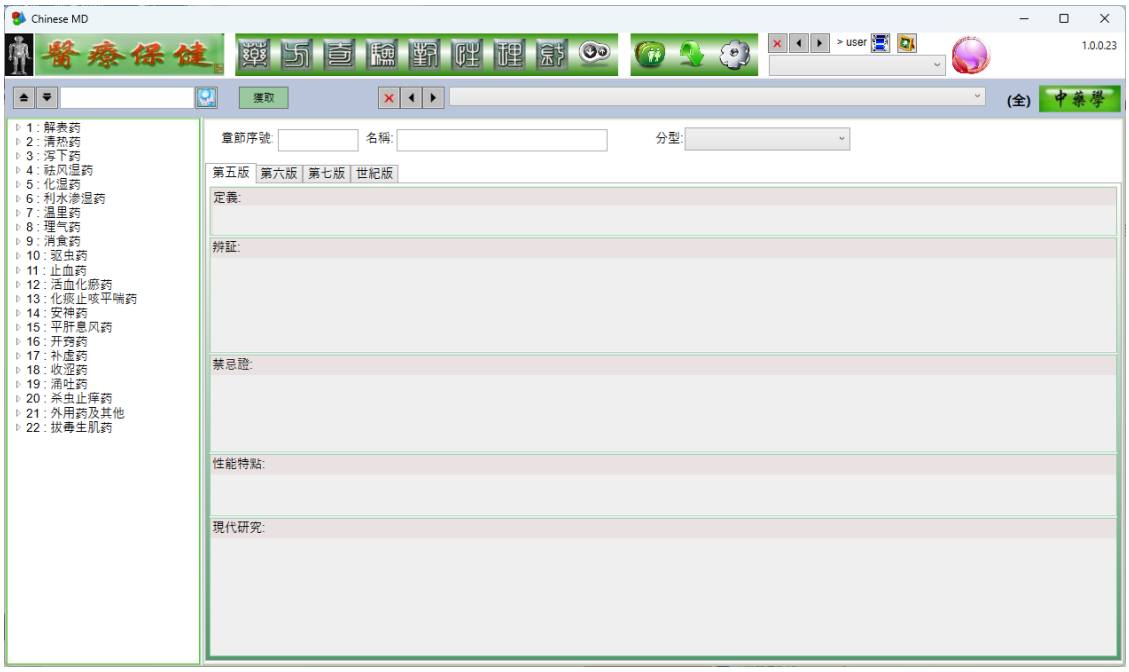

Topic exploration

Use 中藥 as an example of general operations. Click  and then select 中藥(全)

(中藥 contains more four books which are different versions thought out time. Other subjects are not the case.)

The screen has two portions:

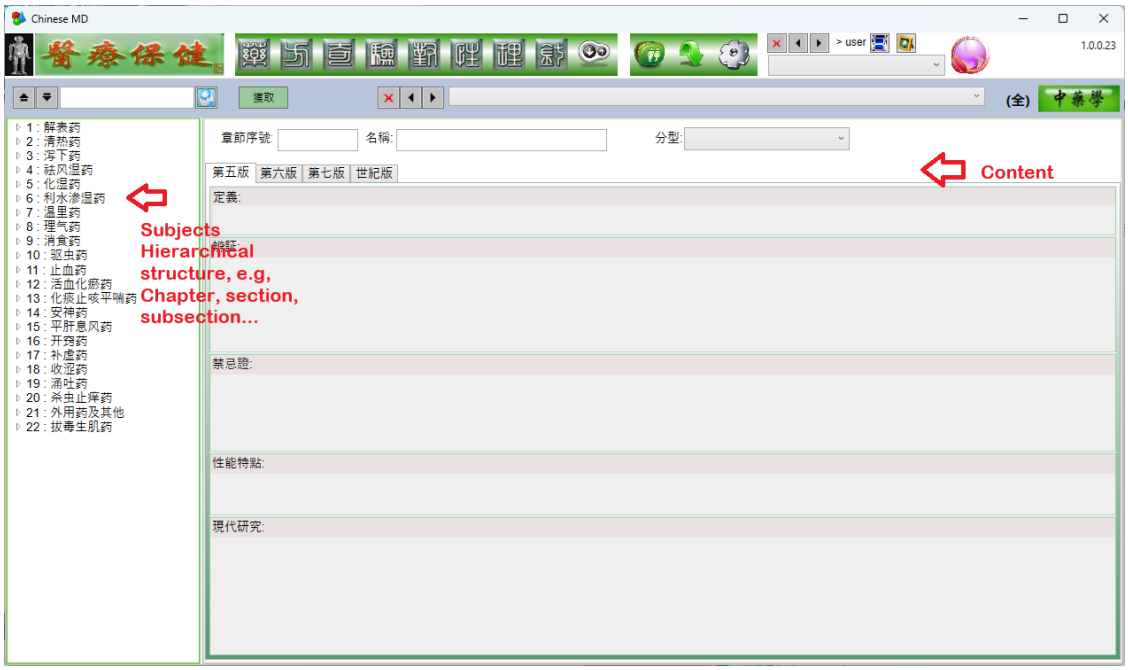

Left side: Hierarchical structure of the subject (e.g, chapter, section, subsection and etc.)

Click on the small arrow to control the display of the herarchy.

Click on the topic will present its detail content on the Right side.

The words in **magenta** color are **links**. Click on them will jump and display associated content.

Right side: the content of the topic selected from the Left side.

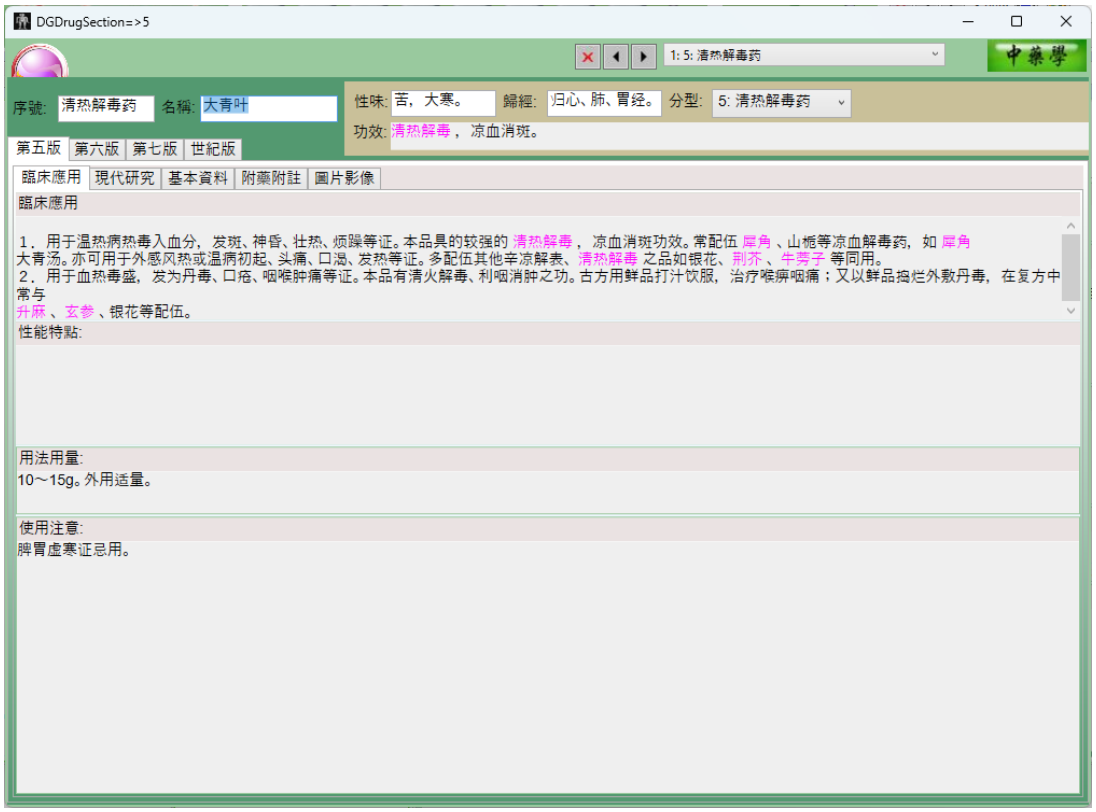

Click 清热解毒药, a separate window shows the content of 清热解毒药

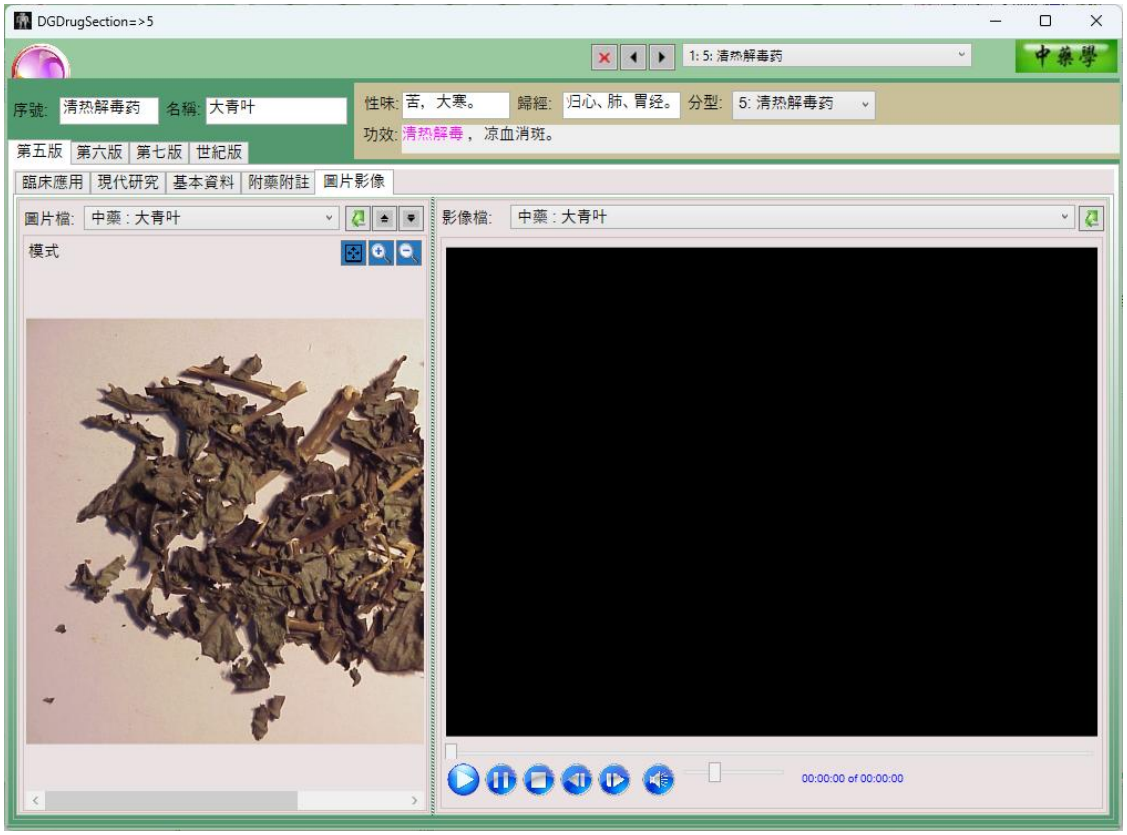

Select 大青叶 from the table, the display changes to

Click 圖片影像 tab

The left side is for picture (圖片) display

The right side is for video (影像) display

If the video file exists, the files are displayed in the drop down list. For multiply pictures, the up and down arrow buttons loop to the pictures. Please Click to see what they do.

To see the video, Click the play button to start play the video. If the video file exists, the files are displayed in the drop down list.
